

# SKIP-A-PAYMENT COUPON

By submitting this "Skip-A-Payment" Coupon for approval to Texas Federal Credit Union, **I am requesting that my monthly payment(s) be deferred for the month of**

I understand that my monthly loan payment(s) may be deferred if it is not the first monthly payment due on the loan, if I have not requested that my monthly payment(s) for the prior month be deferred, if no substantial change has occurred in my income or credit standing, and if I am not otherwise in default. I understand that interest will continue to accrue on my unpaid balance even if my monthly payment(s) is deferred (deferment cannot be granted if negative amortization exists). I further understand that this request does not change my legal obligation to the credit union, that my loan agreement with the credit union provides for monthly payments, and that the credit union is merely informally permitting me to defer this month's payment(s), and that regular payments will resume following the month in which payment is skipped. I also understand that my repayment schedule will be extended due to this deferment. Fax, mail, or visit any TFCU branch office to submit this coupon to apply for a "Skip-A-Payment" up to twice a year. Qualifying members only, some restrictions apply. Call TFCU's Loan Department at 214-748-9556, or 1-800-242-9132 (select option #2) for more details! **Mail To:** Texas Federal Credit Union, 1100 Commerce St. , Ste #745, Dallas, TX 75242. **This Skip-A-payment Coupon is not to be used for mortgage, home equity, or home improvement loans.**
